Application Guidelines for September 2026 Intake

**School of Transdisciplinary Science and Design
University of Tsukuba, Malaysia**

(Aptitude-based Scheme: Second call for applications)

March 2026

University of Tsukuba, Malaysia

Introduction

The University of Tsukuba, a Japanese national university, opened University of Tsukuba, Malaysia (School of Transdisciplinary Science and Design) in September 2024. Two types of admission scheme, an “**Aptitude-based Scheme**” and a “**School Recommendation Scheme**”, are available for those who meet the prescribed requirements and wish to enrol at University of Tsukuba, Malaysia (UTMy). This is the application guideline for the **Second call for applications of “Aptitude-based Scheme”**.

- ❖ All dates and times given in these guidelines are based on Malaysian Time (MYT).
- ❖ All fees given in this guideline are based on Malaysian Ringgit.
- ❖ A 6% service tax applies to tuition fees and application fees for non-Malaysian citizens.

I. Key Details

[Educational Purpose]

The programme aims to develop individuals with data science literacy who can apply ideas and technologies from the natural sciences, humanities, and social sciences to a broad range of environmental and social issues. By utilising design thinking, our students can creatively contribute to solving global issues.

[Desired Students]

- 1) Strongly interested in and motivated to study global issues and their resolutions in Malaysia and South-East Asia
- 2) Clearly enthusiastic about using interesting knowledge from the natural sciences, humanities and social sciences to solve complex global issues
- 3) Keenly determined in judging information applicability based on objective data and materials, and who can logically communicate their ideas
- 4) Genuinely interested in the Japanese language and culture, and who can respect different values and ways of thinking

[Admission Policy]

Applicants will be comprehensively evaluated based on their basic academic competence, advanced comprehension skills required for learning data science, critical thinking skills, and interest and expressiveness to global issues.

[Duration] 4 years (full-time)

[Medium of Instruction] Mainly English and Japanese, partially Bahasa Melayu

[Student Acceptance]

From the first year (No advanced standing or transfer options to upper years)

[Enrolment Capacity] 40 students / year

[Quota] Several seats

[Degree Conferred] Bachelor of Arts and Science

II. Key Dates

Payment of Application Fee and Online Application
Thursday, 19 March 2026 - 5:00 PM, Wednesday, 6 May 2026

Notification of Admission Number and Interview Schedule
Thursday, 7 May 2026

Interview
Thursday, 21 May & Friday, 22 May 2026

Announcement of Results
(individually notified via the Online Application Platform)
10:00 AM, Friday, 5 June 2026

Enrolment Procedures
Must be completed before Friday, 12 June 2026

For Applicants with Disabilities

The University of Tsukuba reviews applications from applicants with disabilities on the same basis as other applicants. According to the published screening criteria, all applications are assessed based on academic merit and potential. If you have problems with the application process and need special consideration, please contact the Academic Service Office at utmy-kyomu@un.tsukuba.ac.jp in advance.

For International Applicants

All international students planning to study in Malaysia MUST apply for the Student Pass (visa) approval to study BEFORE entering Malaysia and the approval process can take up to three months. Successful applicants will be notified of the details. Please make sure that your passport is valid for at least 24 months when applying for the Student Pass.

III. Requirements for Application

1. Eligibility

To be eligible for admission to this programme, applicants must fulfil ONE of the following criteria.

- 1) Have completed a 12-year curriculum of formal education in their country of residence, or who are expected to complete it by the end of the month prior to the month of enrolment.
- 2) Have completed a curriculum of formal education less than 12 years and have subsequently completed or are expected to complete a preparatory education course designated by the Japanese Minister of Education, Culture, Sports, Science and Technology (MEXT) by the end of the month prior to enrolment.
- 3) Hold or who are expected to hold an International Baccalaureate, European Baccalaureate, Abitur (Germany), Baccalauréat (France), or GCE A Level / International A Level (United Kingdom) by the end of the month prior to enrolment.
- 4) Have completed or are expected to complete a 12-year curriculum at a school accredited by any of the following international accrediting groups by the end of the month prior to enrolment:
 - ♦ WASC ([Western Association of Schools and Colleges](#))
 - ♦ CIS ([Council of International Schools](#))
 - ♦ ASCI ([Association of Christian Schools International](#))
 - ♦ NEASC ([New English Association of Schools and Colleges](#))
 - ♦ COGNIA ([Cognia](#)), or
 - ♦ COBIS ([Council of British International Schools](#))
- 5) Applicants whose qualifications are not listed in categories 1 to 4 in Point 1, but who are deemed to have eligibility equivalent to at least one of the four criteria after individual eligibility screening.

Note 1 Please contact the Academic Service Office at utmy-kyomu@un.tsukuba.ac.jp before you proceed with the application process if you are uncertain about your eligibility and/or would like to request individual eligibility screening.

Note 2 It is possible that categories 1 to 4 in Point 1 may not be applicable to all applicants from certain international schools. If this is the case, please contact

the Academic Service Office at utmy-kyomu@un.tsukuba.ac.jp before you proceed with the application process to confirm eligibility.

2. Minimum Eligibility for Application

Applicants must satisfy the following minimum qualification for application.

1) Entry requirements (at least one of the following qualifications)

STPM	A pass with at least Grade C+ (GP 2.33) in any 3 subjects including Mathematics.
UEC	A pass with at least Grade B in any 5 subjects including Mathematics.
A Levels	A pass with at least Grade C in any 3 subjects including Mathematics.
International Baccalaureate (IB)	A pass with at least total 27 points including Mathematics, TOK and EE. An individual's mathematics score must also be above 4 points.
EJU	Must be above the average for the EJU candidate's examination cohort in any 3 subjects including Mathematics.
Foundation / Matriculation	A pass with at least CGPA of 2.3 out of 4.0 or its equivalent including Mathematics.
Diploma (Level 4, MQF)	A pass with at least CGPA of 2.3 out of 4.0 or its equivalent including Mathematics.
Japanese High School Transcript	An overall average, excluding Health and Physical Education, Arts, and Home Economics, of at least 6 out of 10 or 3 out of 5. . Additionally, the individual's mathematics score must be above 6 out of 10 or 3 out of 5. The certificate must cover all three years of study.

Note 1 Applicants with other Year 12 qualifications or equivalent will be considered on a case-by-case basis.

Note 2 Our educational programme aims to develop individuals who can apply data science techniques and methods to solve global issues. Therefore, we expect applicants to have a good understanding of a basic level of mathematics equivalent to the Cambridge International A-Level Mathematics.

Note 3 Applicants may apply using predicted results and a certificate of expected

graduation, authorised by their school principal or an equivalent authority. If admitted, they must submit their final academic results and official graduation certificate by 31 August 2026. Failure to submit these documents, or if the final results do not meet the entry requirements, will result in the withdrawal of the admission offer.

2) English-language proficiency (either of the following qualifications)

MUET	Band 3 or higher
IELTS (Academic)	5.0 or higher
TOEFL iBT	61 or higher
PTE Academic	41 or higher

Note 1 IELTS, TOEFL or PTE test results must have been taken within the past two years at the time of application. MUET results are valid for five years from their release date.

Note 2 Applicants with other English qualifications equivalent to Year 12 will be considered on a case-by-case basis. English qualification equivalent to Year 11, such as SPM and IGCSE, as well as qualifications valid only within a specific country or region, such as EIKEN, will not be accepted.

Note 3 Applicants may waive the English language requirements if they have completed or are expected to complete at least five years of secondary education or higher at an institution where the medium of instruction is entirely in English. Please submit official documentation from the institution confirming that the instruction is conducted fully in English.

3) Japanese language proficiency

If applicants have studied Japanese and/or have taken any Japanese-language test, please include the details on the online application form and attach proof. Applicants who have not studied Japanese are still eligible to apply if they meet other qualifications. The University of Tsukuba, Malaysia will offer Japanese-language classes.

IV. Screening Criteria

The screening process considers all aspects of the application documents and individual interview. The individual interview will be undertaken in English to assess applicants' interest and motivation towards global issues and their solutions, their critical thinking abilities, communication skills, and aptitude.

Interview Method	Individual interview
Medium	English
Content	Individual interviews based on the information provided in the application form.
Evaluation	Assesses interest and motivation towards global issues and their solutions, critical thinking, communication and expression, and aptitude.

Interview Schedule

	Schedule	Location
Day 1	9:00 AM – 5:00 PM, Thursday, 21 May 2026	University of Tsukuba, Malaysia
Day 2	9:00 AM – 5:00 PM, Friday, 22 May 2026	

Note 1 The University of Tsukuba will not respond to any individual request regarding the interview schedule under any circumstances.

Note 2 In principle, applicants are required to take their interviews at the specified date and time in Kuala Lumpur. If some circumstances are out of the applicant's control and the applicant unavoidably wishes to have an online interview, please request it with a reason during the online application. In this case, any individual request about the interview schedule will still not be accepted.

V. Application Fee Payment

Payment Period: Thursday, 19 March 2026 – 5:00 PM, Wednesday 6 May 2026

	Application Fee	Service Tax	Total
Malaysian applicants	100	-	100
International applicants	100	6	106

A non-refundable application fee must be paid by either of the following methods. Applicants should upload a copy or proof of the transaction together with the other application documents. The application fee is payable in Malaysian Ringgit and any shortfall or excess from any transfer of foreign currencies to Malaysian Ringgit or bank charges must be borne by the applicant.

Note 1 Please include the applicant's full name in the remarks/comments section of the transaction.

Note 2 For applicants with Category 5 eligibility, please DO NOT pay the application fee until eligibility is confirmed.

Bank Transfer (Applicants with a bank account in Malaysia must pay via bank transfer)

Beneficiary Name	UNIVERSITY OF TSUKUBA
Name of Bank	Sumitomo Mitsui Banking Corporation Malaysia Berhad
Bank Address	Suite 22-03 Level 22 Integra Tower The Intermark 348 Jalan Tun Razak 50400 Kuala Lumpur Malaysia
Account No.	10127301
Swift Code	SMBCMYKLXXX

Other payment options **ONLY for international applicants**

If you're paying from outside Malaysia, we recommend using services PayPal or WISE to ensure the exact amount is received without any shortfall or excess. Applicants residing in Malaysia who hold a Malaysian bank account should make the payment by bank transfer.

- PayPal: <https://www.paypal.com/ncp/payment/B5M8KJF8MDJ5J>
- WISE: <https://wise.com>

VI. Online Application and Documents

Online Application Opens: Thursday, 19 March 2026
Online Application Closes: 5:00 PM, Wednesday, 6 May 2026
<https://utmy.dreamapply.com/>

Applicants can submit the completed application with copies of relevant documents via the online application system. The online application should take between 20 to 30 minutes if applicants have all their details and documentation scanned and ready to upload prior to starting the online application process.

When applying, applicants should attach copies of all relevant supporting documents. These include the secondary school results certificate, official academic records/transcripts, English test results, and Japanese test results.

Originals or certified copies of applicants' academic documents must be provided to the University upon request. If applicants do not provide them, their enrolment may be cancelled. This may occur at course enrolment or any time after commencing study.

For questions that are not relevant to you and are not compulsory, leave the field blank and proceed to the next question.

	Type of Information / Documents
1.	Personal details <ul style="list-style-type: none">- Profile- Contacts- Education- Employment (if applicable)- Languages- Activities (if applicable)
2.	Formal photograph <ul style="list-style-type: none">- Your photo must not include other objects or people.- Your photo must be taken against a plain, light-coloured background.- Your photo must be <u>at least 480 pixels wide and 640 pixels high</u>.- Your photo must be at least 100KB and no more than 15MB.- Your photo needs to be saved in either JPEG/JPG format.- In your photo you must:<ul style="list-style-type: none">♦ be facing forwards and looking straight at the camera.♦ have a neutral expression with natural smile.♦ have your eyes open and visible.♦ not have hair covering your eyes.♦ not have a head covering (unless it's for religious or medical reason)♦ not have anything covering your face.♦ not wear sunglasses.

3.	<p>Photocopy of NRIC (for Malaysian applicants) Photocopy of Passport (for International applicants)</p>
4.	<p>Academic Qualifications (upper secondary and above) Please upload certified true copies of relevant academic transcripts/results for ALL qualifications/academic studies, either currently enrolled, completed or discontinued, including failures (if any).</p>
5.	<p>Certificate of (expected) Graduation (upper secondary and above)</p>
6.	<p>Proof of English Language Proficiency MUET / IELTS (Academic) / TOEFL iBT / PTE Academic or equivalent</p>
7.	<p>Proof of Japanese Language Proficiency (if applicable)</p>
8.	<p>Personal Essay (MS Word format) Please write two short essays of 400 to 500 words each (1) describing your study plan at the University of Tsukuba, Malaysia; and (2) detailing what features of the Japanese language and culture interest you and how you would describe them to others.</p> <p><u>Formatting</u></p> <ul style="list-style-type: none"> ♦ Page size: A4 ♦ Margins: 1 inch (2.54cm) on all sides ♦ Font: 11 point, Times New Roman ♦ Line spacing: 1.5 ♦ Page numbers: Page numbers on all pages ♦ Essay (1) and (2) should begin on a separate page ♦ Put your name in the upper right corner of each page (using header)
9.	<p>Proof of Application Fee Payment</p>

VII. Announcement of Results and Enrolment Procedures

1. Results Announcement

Day & Time of Announcement: 10:00 AM, Friday, 5 June 2026

Results will be announced directly to the applicants through the online application system. The University will not respond to any inquiries concerning the outcome of applications.

2. Enrolment Procedures

Period of Enrolment Procedures: NO LATER than Friday, 12 June 2026

Successful applicants will be contacted via email with a placement offer. Please respond within the deadline and follow the enrolment procedures. If a successful applicant does not respond or take the necessary actions for admission within the deadline period, they will be deemed to have declined the placement offer in the programme.

3. Tuition Fees

The tuition fees for Fall semester and Spring semester are as follows. The payment for the Fall semester is due in mid-September, while the payment for the Spring semester is due at the end of February. Further details will be given to successful applicants. (<https://www.utmy.edu.my/student/tuition/>)

Please note that applications for financial support and scholarships can be made only after enrolment. (https://www.utmy.edu.my/student/financial_support/)

Due Date	Malaysian students			International students		
	Tuition	Tax	Total	Tuition	Tax	Total
Fall semester (Sep - Jan) [Due: 1 st Sep – 15 th Sep]	14,630.00	-	14,630.00	15,880.00	952.80	16,832.80
Spring semester (Feb - Aug) [Due: 1 st Feb – 25 th Feb]	20,370.00	-	20,370.00	22,120.00	1,327.20	23,447.20
Annual total	35,000.00	-	35,000.00	38,000.00	2,280.00	40,280.00

VIII. Disclosure of Information about Admission

The University will disclose admission information to applicants upon request from Tuesday, 1 September 2026 to Friday, 30 October 2026. For further details, please contact the Academic Service Office at utmy-kyomu@un.tsukuba.ac.jp.

IX. Important Notes

- ♦ Incorrect entries and incomplete applications may result in the voiding of your application.
- ♦ Any falsification, fabrication, or factual discrepancy found in the information provided in the application documents after enrolment to the University may lead to revocation of enrolment.
- ♦ If you require any special consideration for your studies due to disabilities or other issues, please contact us before submitting your application.
- ♦ Application documents and application fees are non-refundable.
- ♦ If you fail to meet the eligibility requirements by 31 August 2026, your admission will be revoked.
- ♦ All submitted applications are final and applicants are unable to make any changes to the information provided.
- ♦ The University of Tsukuba is unable to assist applicants in finding accommodation for the interview.
- ♦ Concurrent enrolment at another university whilst undertaking this programme is not permitted.

Privacy Policy

1. Personal information obtained by the university from application documents is protected in compliance with the Act on the Protection of Personal Information Held by Independent Administrative Agencies, and pursuant to the University of Tsukuba Regulations on Personal Information.
2. Personal information obtained by the University from application documents and exam results will be used in processes for enrollee selection, admission procedures (including information on university events), and surveys and research conducted as part of the enrollee selection process.
3. Personal information of the person completing the admission procedures will also be used after admission for academic affairs (training and guidance, etc.), student support services (tuition exemption, scholarship applications, health management, etc.), and other related processes.

For further details, please access our privacy policy at <https://www.utmy.edu.my/privacy/>.
